Pittsburgh, PA | Coleguidrey@gmail.com | (413) 214-3290

## EDUCATION

---

**University of Pittsburgh** | Pittsburgh, PA

**Anticipated Graduation: April 2026**

*Candidate for Bachelor of Arts*

**Major:** Economics

*Dean's List Fall 2022, Spring 2023 & Fall 2024*

## WORK EXPERIENCE

---

**Investment Consultant**

**Contract November 2025**

*PSRB Law | Springfield, MA*

- Modeled a \$300k/YR investment strategy for migrating case management infrastructure, evaluating economic impact on volume, and market share expansion.
- Prepared a break-even analysis and structural impact study and delivered a "no" recommendation that prevented inefficient capital allocation.
- Quantified the ROI of automation vs. manual workflows, measured productivity of paralegal workflows and identified the specific price floor where software migration would yield profitable.

**Website Developer**

**Contract October 2025**

*Post Game Financial | East Longmeadow, MA*

- Co-directed website redevelopment, and designed UI/UX and site hierarchy, to optimize navigation flows and hierarchy.
- Engineered an interactive widget to demonstrate the firm's quantitative advantage, backed by industry-specific research.
- Authored technical copy and refined site architecture to align with brand positioning and SEO best practices.

**Manager, Landscape Designer**

**May 2018-August 2023**

*Dream Green Landscaping | Longmeadow, MA*

- Secured private and public contracts valued up to \$19,000, including projects with Longmeadow Dept. Public Works.
- Designed digital and physical landscape renderings to help realize the client's vision.
- Worked with clients to provide quotes, budgeted materials, and allocated compensation for over 15 employees.

**Assistant Coach, Director of Learn to Skate**

**February 2020-April 2023**

*Holy Name Hockey Assosiation | Springfield, MA*

- Instructed over 40 youth and parents through guided demonstrations and oversaw three concurrent groups.
- Facilitated dynamic exercises tailored to individual skill level and encouraged enthusiasm for learning.

## PROJECTS

---

**Founder/Engineer**

**October 2025-Current**

*lowercase | Pittsburgh, PA*

- Engineered data pipeline to reduce paralegal workflow time from 2 hours to 10 minutes and reducing operational costs to under \$6 per case.
- Engineered document processing architecture to extract key insights from +200 page unstructured documents and generate industry compliant legal documents.

## SKILLS

---
